“Handled with Care - by People Who Care”

YDL record best ever Christmas....

We are pleased to inform you that YDL enjoyed our best ever festive period in 2016. On time delivery percentages were close to 100% and a record input into our networks.

This is due to the organisation and detailed planning by our operations team and also our commitment to our customers in December.

Helen Lawson - Commercial Director - explains; 'Many courier companies choose to make a short term gain on the high volumes available in December. Out of loyalty to our customers we choose not to sell, to ensure that our existing customers do not suffer as a result. We want our own customers to know that they are our priority at their key trading times'.

Did your courier offer you the same level of service and loyalty in December? Speak to our sales team to find out more.

YDL Supports Cri Du Chat

YDL's annual 'Cheesy Christmas Jumper Day' on 23rd December gave all proceeds to The Cri Du Chat Support Group.

Our team raised £300 through donations. CDC is a chromosomal deletion disorder also known as 5p syndrome as the condition is caused by deletion of the 5th Chromosome. We hold this cause close to our hearts and want to offer our support to our colleague Ben and his son Alfie. To hear Alfie's story and to donate to this worthy cause, please follow this link:

APC Open 2nd Hub due to growth....

In response to business growth, APC Overnight have re-opened their 60,000 square foot Essington hub facility.

This site was retained by APC Overnight to assist with seasonal capacity alongside the National Sortation Centre in Cannock and remains part of APC's growth plans. The Essington site re-opened on Monday 21st November employing a team of up to 130 employees and works in tandem with the APC National hub based in Cannock that opened in July 2013.

Jonathan Smith, CEO stated "The re-opening of our Essington hub is a positive statement of the growth and capability of the APC network. It is a commitment to our depots and customers in our continued agenda to provide the highest quality service, both at Christmas time and throughout the year. Customers using the APC network have grown to depend on our service levels, and we are determined to meet that expectation again this year through Christmas and into 2017."

VACANCY

We are currently looking for talented multi-drop van drivers to join our team. Based anywhere in the North East. Email sales@justydl.com for more info.
